

3rd International Multimedia Festival of Cultural Heritage

November 2024 - Shiraz-IRAN

Call for Entries

3rd International Multimedia Festival of Cultural Heritage

The breadth of Iranian culture and history scope is so enriched with ethnic and linguistic diversity and different traditions that has maintained its durability and consistency beyond the conventional geographical boundaries. Recording visual images of this ancient human heritage by non-Iranian filmmakers and artists is a stepping stone to introducing and preserving this civilization and common cultural roots.

International special section (Non-Competitive):

In this section, various films and visual works of non-Iranian artists are screened and shown in three categories:

- **Documentary (at least 60 minutes)**
- **Short film (minimum 5 and maximum 30 minutes)**
- **Photos and Images**

These works should be focused on Iran's cultural heritage, common heritage of Iran and other countries, or a creative introduction of one of the World Heritage inscribed Works of tangible or intangible heritage, with priority given to the countries of the region.

The third edition of the International Cultural Heritage Multimedia Festival will be held in October/November in historical city of Shiraz.

• **How to submit:**

Artists and authors of the work are required to complete the registration form and upload the relevant links and materials to September 20th referring to the festival website: www.mcthfest.com

It is worth mentioning that the registrant is the sole responsible for the copy right issues and the festival secretariat does not bear any responsibilities in this regard.

Secretariat phone no.
